OPENING LITANY

One: The angel of the Lord announced to Mary that she would bear the Holy Child.

All: **He was born in Bethlehem. We pray that He might be born again in our hearts.**

One: The angel reassured the shepherds who were frightened by the brightness of God's glory.

All: **He directed them, just as He directs us, to the gentle light shining from the manger.**

One: The animals were afraid at the commotion yet also were warmed with hope by the light from heaven and the promise of peace.

All: **May we also be caught up in the wonder and amazement of this holy moment.**

One: A choir of angels filled the night sky with hymns of praise for God's Christmas gift. Mary and Joseph were amazed to be part of God's miracle as it unfolded.

All: **We join that song with thankful hearts. We offer our best gifts to God's gracious Son. Amen.**
