

GRACE CHRISTMAS MISSIONS

Last year as a congregation, we provided gifts to seventy children in various states.

This year, the deacons have chosen to provide gifts to the Angel Tree program using the excess funds given by the congregation over the past two years. Members of the deacons will gladly provide gifts online for about sixty-five children with these funds.

BUT –

We have a wonderful opportunity for you

Women of Grace and Deacons are joining together to support Family Promise, a homeless family outreach program. This program allows

family members with children to stay together while trying to find jobs and housing. The second week of December, Family Promise has a Christmas party for their current and previous clients. They are expecting about 150 children to attend this event.

You can help by providing a NEW toy, for any age, unwrapped. We will be collecting anytime till December 4th in the Sanctuary, outside the Fireside room AND

At the Women of Grace, Magic of Christmas event, on Saturday, December 3rd.

When you sign into the event, show your gift to the reception desk and get a free ticket for the raffle baskets.
